Man's Will The Seal of the Secret Book Background

In connection with my father's, Tibor Kemény's paternity issue the Seal of the Secret Book, or a so-called 'Will', was established. This is personal and private and connected to our galaxy, the Milky Way, and has nothing to do with religion. The Seal of the book coincides with the election of Pope Francis and the presentation on March 13, 2013 at seven past seven in the evening. The world of the Book of Revelation was opened, the Book's seven seals are broken. Note that the word 'Christianity' cannot be found in Revelation, as if it never existed. More info at *The Fourth Pyramid which Disappeared*, page 80.

N.B! The Head of State and King Carl Gustaf XVI, son of crimes,

knew about this as early as in 1978. Prime Minister Palme also knew about it.

I sent an application to the European Court of Human Rights on March 30, 2014 in a registered letter with notice off delivery. **Letter 1** weighed 1.2 kilos and **letter 2** 1.3 kilos, all in all **2.5 kilos**. The application contained documents and evidence regarding violation of human rights here in Sweden. I referred to my website which also has an overview of how human rights were violated and abused.

Application Form

Warning: If your application is incomplete, it will not be accepted (see Rule 47 of the Rules of Court). Please note in particular that Rule 47 § 2 (a) provides that:

"All of the information referred to in paragraph 1 (d) to (f) [statement of facts, alleged violations and information about compliance with the admissibility criteria] that is set out in the relevant part of the application form should be sufficient to enable the Court to determine the nature and scope of the application without recourse to any other document."

The notice of receipt shows that the Strasbourg court received the application on April 4, 2014.

The application has a Form of Complaints with additional sections for the Court. I read it carefully before I posted it (see the Court's website).

Attached to the Form of Complaints were 38 documents, all in all around 500 pages which proved how the Kingdom of Sweden abused and crushed human rights.

Application no. 27003/14
Kemény v. Sweden

Dear Sir,

I refer to your application that was lodged on 4 April 2014 and registered under the number referred to above.

I write to inform you that the European Court of Human Rights, sitting in a single-judge formation (A. Nußberger assisted by a rapporteur in accordance with Article 24 § 2 of the Convention) between 1 May 2014 and 15 May 2014, decided to declare your application inadmissible. This decision was delivered on the last-mentioned date.

In the light of all the material in its possession and in so far as the matters complained of are within its competence, the Court found that the admissibility criteria set out in Articles 34 and 35 of the Convention have not been met.

This decision is final. It is not subject to an appeal either to the Grand Chamber or to any other body. The Registry is unable to provide you with any further details concerning the Single Judge's decision. Consequently, you will not receive any further correspondence from the Court in connection with this case. In accordance with the Court's instructions, the file will be destroyed one year after the date of the Single Judge's decision.

The present communication is made pursuant to Rule 52A of the Rules of Court.

Yours faithfully,
For the Court

Liv Tigerstedt
Legal Secretary

The European Court of Human Rights states in a letter of May 22, 2014: A named judge assisted by a rapporteur have decided not to accept the application, without justification. The reason is Rule 47 in the Court's curriculum which means that the 'Form of Complaints' is not complete. The letter does not mention § 47. The intention of the letter feels familiar, the foundation of the issue is removed and simultaneously they cover it up in the name of the Court. The Court has 29 judges, in this case 28 of the 29 judges are excused. The report forwarded by the identified judge certainly has unbelievable contents. When you turn to a Court of Human Rights, there is sufficient, strong evidence that your own country handles your issue inhumanly and criminally. This is also relevant concerning my application with strong, documented evidence. The 28 judges were excluded on purpose because they did not share the opinion of judge #29. The others were not allowed to read the material. All information on my website is included in the material I introduced to the Court. It demonstrates how inhumanly, criminally and incomprehensibly my father's paternity issue was handled in the Kingdom of Sweden via the King. My family's and my life were destroyed. A Court of Human Rights is supposed to be free from religion and should not cover up crimes against human rights in the Kingdom of Sweden. The decision was made public in Strasbourg on **May 15** 2014, zodiac sign Taurus. In other words: The European Court of Human Rights also supports the Kingdom of Sweden, what is important is crime and lies. I have decided not to include Great Britain in this decision because of Brexit. In other words: Great Britain is not behind this decision. Note that my application was about the handling of my father's paternity issue and its terrible consequences for my family. There is neither biological nor legal connections to my father in this issue.

The starting point for everything that concerns my father's paternity issue and both of us (my sister and me) is this agreement on fatherhood and maintenance, dated 1959. The only information is that someone was born on December 24, 1958. The document is empty and obviously not valid. It has created hell for my family, especially during the 1970s. On March 30, 1966, the Head of State, King Gustaf Adolf VI put a seal on my father's paternity issue. But it is a fact that the present royal family has no right to the Swedish monarchy, King Gustaf Adolf VI was not his predecessor's, Gustaf V's, biological son. This means that the royal family does not biologically stem from Karl Johan XIV Bernadotte. Sweden is part of the European Court as a fake kingdom and the result can be seen in Application no.27003/14.

A void, not legal agreement from 1959

The Jewish boy Tibor E was born in Linköping by Jewess Maria E on Christmas Eve, 1958, exactly at midnight. He was my father's, Tibor Kemény's foster son. Tibor E was murdered as an innocent child in 1971 and was replaced by Krister R, who was born in Hungary 1948, my father's cousins' child, and raised in Rome. He, unaware, assumed Tibor E's identity. Krister R is neither man nor woman, but nowadays has a male role. In 2007 Krister R was removed and Jesuit Christer Philip R was his replacement. What happened in 2007 reminds me of 1970s. The world understands that this paternity issue is hell it is not even possible for you to defend yourself. We have lived in Sweden for more than 50 years and we do not enjoy all the rights the European Court of Human Rights is said to stand for, see above.

My application was rejected by the Court in May, 2014 and after that the pope visited Strasbourg at the end of November, 2015 to discuss the European refugee situation. There was no dialogue with Strasbourg. Personally I believe that the pope visited Strasbourg privately to collect all my attachments regarding my application to the Court. This pope, too, can observe how brutally, inhumanly and criminally my father's issue has been handled in the Kingdom of Sweden. The Vatican constantly claim that know the whole truth connected to Christianity. Of course they do. More info at **High Priest Caiaphas' Will**, page 16.

Carl Johan XIV – Bernadotte (1810-1844)

Son of Crimes

This is the Frenchman Carl Johan XIV. The whole world can see that he was a proper Frenchman. Carl Gustaf XVI Bernadotte, on the other hand, looks Swedish and has no biological ties to this Jean Baptiste Bernadotte, we can see that fairly clearly. Via a blood test and DNA we can establish that he has nothing to do with the French origin. It is important for France as a nation and for the French people that the Son of Crimes is distanced from France. After the death of King Gustaf V, Sweden should have dissolved the monarchy, it is a fake, has neither biological nor legal basis any more. He is head of state and king in a fake monarchy in Sweden.

Man's Will

Man's, Tibor I. Kemény's will, which he left behind, connected to natural laws. The will belongs to Nature and its laws.

The handling of Tibor Kemény's paternity issue 1958-2014.

His illegal paternity issue was managed by a so-called 'run-over-system' with violence, coercion and fraud. This means that he never got a chance to defend himself. There was neither legal nor human issues involved in the management of the issue.

His final will is that everybody who has consciously been involved against him in his invalid paternity issue, his family and family tree, will be deprived of human life and who is his biological son and heir. Furthermore: the Kingdom of Sweden shall pay damages, SEK one billion, because of a ruined family life, lengthy suffering and financial losses plus interest from May 22, 2014 until payment is completed within three months from April 18, 2018. To the people of the world: respect each other and be helpful! Think first and then act in a human way! Do not kill!

Last, but not least: The Hungarians should return to the ancient heathen culture in which humanity, nature and knowledge form the core in the form of liberal policy. They should also get rid of Orban's government and the Hungarian Church. – Sweden should immediately abolish the monarchy and replace it by a republic.

The Kingdom of Denmark. The country's name probably comes from the name **Dan**, **Jacob's** 6th son. Moses writes this about Dan (Genesis 49:16-17): 'Dan shall judge his people as one of the tribes of Israel (Jacob). Dan shall be a serpent by the way, a viper by the path, that bites the horse's heels so that its rider shall fall backward.' – (Relevant now, in the Fullness of Time.

Denmark is a monarchy and the symbol of a monarchy is a Lion. A Lion's tongue can be perceived as a serpent, which we can see on the national coat of arms. The long tongue is a symbol of speech and reflexion. My personal view is that Kristian I was a reincarnation of, among others, Dan, a combination of swan/serpent/deer. On a medal from the time of Kristian I is a bird, a swan, holding a serpent in its claws.

Kristian I was the ancestor of the Oldenburg family.

Sign of life: According to Moses, Noah released the raven and the dove from the Ark, according to Gilgamesh Utnapishtim freed the raven, **the swan** and the dove.

The Lamb's, Jesus' identity.
 In Book of Revelation we get fairly reliable identification information: **The first born from the dead'** (Rev 1:5). A brief presentation tells us this: Everybody who belongs to blood groups A, B and AB is called dead. This is a private family issue which takes us back to Sumer and the family of Gods. The father of the Gods was Anu, his first-born child was Tiamat with Goddess KI, Mother Earth (we do not know if Enki or Enlil was his first-born son). More info at *The Falcon does not Fly any More*, pp 12 and 17-18. We can also read in **Revelation 5:1-6** that the Lion of Judah is gone, replaced by the Lamb. In my father's paternity issue, too, the Lion Tibor E was murdered and was replaced by the Lamb, Krister R.

Revelation 14:14-16 'Then I looked, and behold, a white cloud, and on the cloud sat One like the Son of Man, having on His head a golden crown, and in his hand a sharp sickle. And another angel came out of the temple, crying with a loud voice to Him who sat on the cloud, "Thrust in Your sickle and reap, for the time has come for You to reap, for the harvest of the earth is ripe." So he who sat on the cloud thrust his sickle on the earth, and the earth was reaped.'

Introduction

/.../

The Lord/Serpent God to Anu, father of the Gods:

You can have your wishes.

Look at the Earth, among the trees of Eden.

These two slender trees in the middle of Eden

I curse them, then you can have them.

Cosmic Adam/Bringer of Light to the Lord/Serpent and Bull God:

You act with greedy hands, but you are a powerful Lord –

A small piece of land under my foot is for me enough

Where the foot of denial gets stuck,

And your world will be defeated.

/.../

Conclusion

/.../

Eve: **I understand this song...**

Earthly Adam: **I suspect so, and will follow.**

Just that end, I could forget just that!

Lord/Serpent God to Earthly Adam:

I have told you, Man: Struggle and have faith in confidence!!

Upp. 6:2: 'And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. (A white horse is a symbol of humans of blood group 0).
